Description

Welcome to one of the finest new construction estate homes available in San Carlos Estates—a rare opportunity to own a custom-built masterpiece by Castlerock Construction, perfectly positioned on an expansive 1.25-acre, 100% uplands homesite offering exceptional privacy, unmatched flexibility, and the freedom of NO HOA. Unlike many neighboring properties, this premium estate lot provides abundant room to create your dream family compound, while preserving the peaceful estate setting that makes San Carlos Estates one of Southwest Florida's most desirable communities. Designed for those who appreciate timeless architecture and refined craftsmanship, this extraordinary residence offers over 2,700 square feet of thoughtfully curated living space where elegance meets everyday comfort. Soaring ceilings, expansive impact glass, and an open-concept floor plan fill the home with natural light while creating a seamless connection between the sophisticated interior and the spectacular outdoor living spaces. At the heart of the home is a stunning chef's kitchen designed to impress both family and guests. Premium appliances, designer finishes, a massive center island, and generous entertaining space create an ideal setting for everything from intimate dinners to unforgettable celebrations. The luxurious owner's retreat is a private sanctuary featuring oversized dual walk-in closets and a spa-inspired bath complete with a freestanding soaking tub, an oversized walk-in shower, and elegant designer finishes. Each additional bedroom offers exceptional comfort

with beautifully appointed bathrooms featuring spacious walk-in showers and premium finishes throughout. Step outside and discover what truly separates this home from the competition. The expansive covered lanai overlooks a spectacular oversized resort-style pool and spa, creating a private backyard oasis designed for year-round Florida living. The fully equipped outdoor kitchen and generous entertaining areas provide the perfect setting for relaxing afternoons, elegant evening gatherings, or weekend celebrations surrounded by the beauty and privacy of your estate-sized property. Built without compromise, this home features hurricane-impact windows and doors, spray-foam insulation for superior energy efficiency, premium construction materials throughout, and a 1,000-gallon propane system designed for long-term performance, comfort, and peace of mind. Location is equally exceptional. Just minutes from Gulf beaches, Coconut Point, the revitalized Old 41 district, fine dining, championship golf, Downtown Naples, and Southwest Florida International Airport, this property offers the perfect balance of luxury, convenience, and privacy. Luxury homes come and go. Estate-sized 100% uplands properties with new custom construction, oversized outdoor living, room to expand, and no HOA restrictions are exceptionally rare. This is more than a home—it is a legacy property built for generations to enjoy.
