Description

One or more photo(s) has been virtually staged, AI generated or rendered. Are you looking for that gated community offering friendly neighbors with all the benefits of a golf course community without a full golf membership? Can you envision yourself enjoying the club atmosphere with a newly remodeled clubhouse featuring indoor and outdoor dining, a resort style pool with dining, a full fitness center with classes, a tennis complex, pickleball, bocce ball? This is that community. This is that property...the social membership in a golf community that offers limited golf. Countryside has it all! All of this and so close to downtown Naples and the beaches in one of Naples friendliest golf and lifestyle resort complexes. Countryside is receiving rave reviews for its new amenities by everyone in the community. This third floor condo (top floor) vaulted ceilings with a terrific view of the twelfth tee and golf course. This home has brand new carpeting in the bedrooms while the rest of the condo is tiled including the lanai. Imagine yourself sitting on the beautiful lanai enjoying that wonderful view in this fantastic community. Community pool just steps away as well. Live the Naples lifestyle and live it well, you've earned it now it's time to enjoy in this fabulous third floor condo, in one of Naples friendliest lifestyle communities. Any photos with furnishings are staged to give the Buyer an impression of how the property could look furnished.
