Description

Welcome to an exceptional opportunity to own an upstairs residence in the highly sought-after Winterpark community—where value meets vision and the potential to create your dream Naples retreat awaits. Positioned in a prime Naples location, this 2-bedroom, 2-bath condominium offers a light-filled layout with an expansive living and dining area, ready to be reimaged with your personal style and design vision. The screened balcony provides a peaceful outdoor space overlooking lush tropical landscaping—perfect for morning coffee or unwinding after a day at the beach. Inside, you'll find a spacious primary suite, in-unit laundry, and a functional floor plan that serves as the perfect canvas for updates, renovations, or a full custom transformation. What truly sets this property apart is its placement within Winterpark—one of Naples' most desirable, amenity-rich communities known for its vibrant lifestyle and classic Florida charm. Residents enjoy access to one of the largest resort-style pools in Naples, beautifully maintained grounds, newly updated pickleball and tennis courts, and an active social atmosphere that makes it easy to feel at home. Located just minutes from 5th Avenue South and Olde Naples, as well as world-renowned Gulf beaches, this property offers unmatched convenience to fine dining, boutique shopping, art galleries, and coastal living at its finest. Whether you're seeking a seasonal escape, investment opportunity, or a full-time residence to customize and make your own, this is your chance to unlock the full potential of Naples living in a community that

truly embodies the Florida lifestyle.
