Description

Tucked inside the gates of Verdana Village, this stunning Sunset model offers a lifestyle that feels more like a retreat than a residence. Out back is where the magic happens. A custom pool and spa with a tranquil water feature set the tone, while the home’s southern exposure keeps the space sunlit all day long. Beyond the lanai, serene preserve views create complete privacy—no rooftops, just nature. Constant wildlife and peaceful surroundings make this a true escape you’ll never want to leave. Designed for effortless indoor-outdoor living, the home features a fully equipped outdoor kitchen, whole house generator and hurricane screens—perfect for snowbirds looking for both comfort and peace of mind. Inside, the 3 bedroom, 3 bathroom layout offers the ideal blend of space and functionality for both everyday living and hosting. And the lifestyle? Unmatched. Verdana Village delivers true resort-style living with a large resort-style pool and spa, state-of-the-art fitness center, indoor and outdoor pickleball and tennis, indoor basketball, Drift restaurant, the Paradise Pool Bar, and Craft Lounge—all just steps from home. Plus, everyday conveniences like Publix, Dunkin’, dining, and salons are just a quick golf cart ride away. This isn’t just a home—it’s your everyday escape.
