Description

Welcome to a true luxury showcase in the heart of Lehigh Acres. This stunning custom-built residence at 1204 E 4th St offers the perfect blend of modern elegance, comfort, and space — designed to impress from the moment you pull into the oversized driveway. Featuring an eye-catching architectural design with soaring entryways, high-end finishes, and immaculate curb appeal, this home stands out from anything else on the market. Inside, you'll find a bright open-concept layout with oversized porcelain tile flooring throughout, tray ceilings, premium lighting, and a beautifully designed entertainment wall with built-in shelving and ambient lighting that creates the perfect atmosphere for relaxing or hosting guests. One of the home's standout features is the custom built-in bar area, perfect for entertaining family and friends while adding a sophisticated luxury touch to the living space. The gourmet kitchen is a true centerpiece, showcasing sleek quartz countertops, custom white cabinetry, stainless steel appliances, modern black accents, and a massive island ideal for entertaining. The spacious master suite feels like a private retreat with high ceilings, abundant natural light, and direct outdoor access. The spa-inspired master bathroom delivers luxury at every level with dual vanities, a freestanding soaking tub, and an oversized walk-through shower finished with elegant floor-to-ceiling tilework. Step outside to enjoy the expansive screened lanai overlooking an oversized fenced backyard with endless potential for a future pool, outdoor kitchen, guest house,

RV parking, or additional recreational space. The property offers privacy, versatility, and room to truly make it your own. Located in a growing area of Lehigh Acres near shopping, dining, schools, and major roadways, this home is perfect for buyers seeking modern luxury, space, and long-term value.
