Description

Welcome to this beautifully designed brand New Construction, offering quality finishes throughout. Located in a prime Lehigh Acres location, this 3 Bedroom + Den home is the perfect blend of comfort in a modern layout. With 1,717 sq. ft. of living space in a quarter acre lot there's plenty of room for enjoyment. Step inside to find an open-concept kitchen fully equipped with sleek stainless steel appliances, ideal for preparing meals while staying connected to family and guests. The spacious living areas are enhanced with elegant porcelain floors that add a touch of sophistication to every room. The master suite is a peaceful retreat with two walking closets, featuring a spacious and modern bathroom with dual showers and a delicate bathtub. Two additional bedrooms and a den are located on the opposite side of the house providing both privacy and versatile living space for added convenience. Enjoy the durability and aesthetic appeal of a metal roof upgrade, which ensures long-term protection and adds a contemporary touch to the exterior. A 2-car garage could provide convenient storage space, while the ample screened lanai patio has a fully equipped outdoor kitchen, making it the perfect space to relax and entertain with family and friends. The true outdoor highlight of this property is the beautiful patio, offering open space, privacy from your neighbors and a tranquil setting for outdoor activities. Whether you're looking for a peaceful retreat or a place to host gatherings, this home checks all the boxes. Don't miss the opportunity to make this stunning property

your new home. Schedule your showing and note the difference. Disclosure: Some of the photos have been virtually staged to help illustrate the property's potential.
