Description

STUNNING CONTEMPORARY RESIDENCE ON BAYSHORE AVENUE! Boaters' dream in the very desirable Yacht Club neighborhood of Cape Coral. No bridges (sailboat access!) and only a 5 minute boat ride to the Caloosahatchee River/20 minutes to the Gulf. It's also only minutes away by car or bike from popular shops and restaurants. Gorgeous modern design, including a light and open floor plan, high end cabinetry, appliances, light fixtures, fans, and finishes throughout, tile flooring throughout, a wine cellar, and a gas cooktop and oven. The bright living room leads you to a large gas heated saltwater pool and spa with a Pentair automation system, 3 electric Storm Smart hurricane shades on the pool lanai, a beautiful outdoor kitchen, 3 gas fire pits, and an additional fire pit at the dock with seating around it. There's also a new 20,000 pound boat lift, tiki hut, and 250 gallon propane tank! The builder thought of everything, and it shows - WELCOME HOME!
