Description

INVESTOR OPPORTUNITY In a rapidly growing Lehigh Acres location! This Five bedroom, 2 bath home offers 1728 sq ft of living space on a spacious quarter acre corner lot, additional rear road access and ample parking. This split floor plan provides functional separation, while the kitchen is equipped with stage 5 granite counter tops and stainless steel appliances. A 2013 Metal roof adds durability, and 11.2- kilowatt solar system with three back-up batteries offers enhanced energy efficiency and power security, including support for private well and water system. Recent updates include two new tank stacks for the water system installed in 2025. Outdoor living features include a heated in ground salt water pool, screen lanai with roll down privacy awnings, multiple fruit trees, and fully fenced yard with a six foot privacy fence. The property also includes a 12 X 20 insulated, hurricane rated storage shed with electricity. Being sold AS IS, this properties presents upside potential. The home will require updates, including sub floor repairs, guest bathroom renovation, pool pump replacement, and screens for pool cage. This property is well positioned for future growth and investment return.Agents please read confidential remarks.Seller needs notice
