Description

Your search ends here. Tucked inside the gated community of Coves of Estero Bay, this 2023-built home has been meticulously maintained and sits on a quiet lot with nothing but preserve behind it. With four bedrooms, two bathrooms, 2,301 square feet of living space, and a three-car garage, this home checks every box. Sitting high and dry with no flood history and no CDD, this is the kind of purchase that brings peace of mind from day one. The open floor plan connects the kitchen, dining, and living areas in a way that actually works for everyday life. The kitchen features a large island, pantry, KitchenAid stainless steel appliances, and warm wood cabinetry. Tray ceilings add height to the primary suite, which includes dual sinks and a walk-in shower. Out back, the screened lanai overlooks a wide open yard with preserve views and western exposure. The oversized paver driveway and three-car garage provide plenty of storage and parking for the whole family. Situated just off Alico Road in Fort Myers, you are minutes from RSW International Airport, Gulf Coast Town Center, Florida Gulf Coast University, Coconut Point Mall, and some of the best dining and shopping the area has to offer. Top-rated schools, major medical facilities, and quick access to I-75 make this address one that is hard to beat whether you are commuting, traveling, or simply enjoying everything Southwest Florida has to offer.
