Description

One or more photo(s) has been virtually staged, AI generated or rendered. Beautiful new construction home on a spacious half-acre lot in Lehigh Acres. This move-in ready property offers an excellent location with quick access to shopping, gas stations, restaurants, and everyday conveniences while still providing peaceful, country-like surroundings. The open-concept floor plan features metal impact double entry doors, impact-resistant windows, and an impact sliding glass door. Additional highlights include a full sprinkler system, 10-foot ceilings with crown molding, 8-foot interior doors, and durable 32x32 white porcelain tile flooring throughout the entire home. The kitchen boasts white quartz countertops with a large island, 42-inch cabinets, and stainless-steel appliances. The primary suite offers a generous walk-in closet, double vanity, and a luxurious shower with a full panel tower system featuring rain shower, waterfall, and massage jets. Both showers are finished with frameless glass doors and panels. Additional comforts include an upgraded A/C system with returns in every room for superior airflow, plus ceiling fans in all bedrooms and the living area. The garage is fully painted and equipped with an impact-rated garage door. This home comes with a complete Smart Home package designed for convenience, security, and efficiency: HD IP security camera system, Ring Video Doorbell with real-time notifications, Smart thermostat, Amazon Hub display for centralized control. Easily monitor your property, adjust the temperature, view visitors at the door, and control everything with

simple Alexa voice commands — all from one seamless system. It's fully expandable, so you can add smart locks, lighting, or other devices as desired. Enjoy the perfect balance of peaceful living on a large lot and proximity to the city. This is a rare opportunity in today's market — you don't want to miss it! Schedule your private showing today! Buyer/buyer's agent should verify independently all property information/feature/description. One or more photo(s) has been virtually staged, AI generated or rendered. Buyer and Buyer's Agent are responsible for independently verifying all property details, measurements, and information deemed important to the transaction.
