A bright living area flows into the dining space and a kitchen featuring white cabinetry, granite countertops, a large island, and stainless-steel appliances. There is also a half bath and a versatile flex room perfect for an office, study, or game room. Sliding doors open to a screened lanai with serene lake and nature preserve views. Upstairs, you'll find four bedrooms, a shared full bathroom, a laundry room, and the primary suite with its own private bathroom. Soft carpeting adds comfort to the entire upper level. The two-car garage is equipped with a mini-split A/C unit, creating a temperature-controlled space ideal for storage, hobbies, or a workshop. The backyard offers plenty of room for a future pool. Set in a peaceful community with lakes and natural scenery, Google Maps shows the property 1/2 a mile from Publix, shops, restaurants, and salons. It's just a short drive to Bayshore Elementary K-8, Metro Lagoon Water Park, and the public library.
