Description

SW Cape Coral POOL home that's move-in ready. Located in a prime location off Oasis. With 3-bedrooms, 2-baths and a 2-car garage. Cathedral ceilings greet you at the entry and carry through the main open floor plan living area. The split floor plan keeps the primary suite separate from the secondary bedrooms. All the bedrooms are generously sized, the indoor utility room and tile floors run throughout the entire home including the garage which is upgraded with a new hurricane rated garage door. The pool has a large covered area with newer screened enclosure plus a new pool heater and HVAC. The updates also include a newer roof replaced in 2019. Water and sewer are connected with all assessments paid in full. Convenient to schools including Gulf elementary and middle, Oasis Middle and High Schools and Ida Baker High School. No deferred maintenance. No assessment surprises. Just a well-kept pool home in one of Cape Coral's most desirable corridors, priced to move.
