One or more photo(s) has been virtually staged, AI generated or rendered. Imagine your own resort-style pool and outdoor retreat, a private equestrian setup, expansive play lawn, workshop, boat/RV storage—or simply enjoy the privacy and open space exactly as it is today. Set on a beautifully maintained 2.27-acre homesite in highly desirable Golden Gate Estates west of Wilso, this property offers the space, flexibility, and freedom to create the lifestyle you've been looking for, while already providing a comfortable and thoughtfully updated home. The 3-bedroom, 2-bath residence offers 2,111 square feet of living space, plus a versatile bonus room with a large closet that can easily serve as a home office, media room, playroom, hobby space, or potential fourth bedroom. At the heart of the home, the remodeled kitchen features white shaker cabinetry, an oversized island, custom tile backsplash, and abundant workspace. The adjoining family room adds a built-in wet bar and opens to the expansive covered lanai with soaring vaulted ceilings, creating an inviting space for everyday living and entertaining. The spacious primary suite offers a peaceful retreat with a walk-in closet and updated ensuite featuring dual vanities and a beautifully tiled walk-in shower with multiple showerheads. Thoughtful updates throughout include newer interior doors, hardware, and trim. Outside is where the possibilities truly expand. The 2.27-acre property offers plenty of room to spread out, play, entertain, garden, bring your animals, or build the outdoor retreat you've envisioned. The

existing above-ground pool is professionally maintained weekly and provides an easy place to cool off, while landscape lighting and a full irrigation system enhance the grounds. A climate-controlled workshop with mini-split A/C, separate tool shed, and large gravel parking area provide exceptional space for hobbies, projects, equipment, trucks, trailers, boats, RVs, and more. The circular paver driveway adds both convenience and curb appeal. Extensive improvements include hurricane-impact windows and doors, a 2018 roof, 2019 A/C with warranty, whole-home reverse osmosis system, new well pump, new drain field, new washer and dryer, and more. Best of all, there is room to make this property truly your own. Add a resort-style pool and outdoor kitchen, create a private equestrian retreat, build the ultimate play and recreation area, or simply enjoy the rare privacy and open space that already exists. Located just minutes from Vineyards Community Park, Founders Square, shopping, dining, and everyday conveniences, this is acreage living with the flexibility to create the lifestyle that fits you.
