Description

Located in the Fort Myers' Buckingham area, this well kept single story home offers 3 bedrooms, 2 bathrooms, and approximately 1,702 square feet of living space. Built in 2019, it features a split bedroom floor plan, comfortable living and dining areas, and a kitchen with granite countertops, stainless steel appliances, and a tile backsplash. Luxury vinyl flooring has been added throughout the property, alongside tile and carpet. An inside laundry area and attached three car garage add everyday convenience. Enjoy the outdoors from both the front and back patios, which have been extended and enclosed with screens. The fully fenced backyard includes a patio and room to create your own retreat, with space for a pool. A canal view, paved driveway, and no HOA fees add to the appeal. The home is on well and septic. Additional opportunity: The neighboring lot is also available for sale and is owned by the same sellers. Together, the home’s lot and neighboring lot total approximately 20,425 square feet, nearly half an acre if purchased together. Reach out for additional information.
