Description

Your next round starts here—golf membership is included! This Napoli model 3-bedroom + office home in The National Golf & Country Club in Ave Maria puts golf, poolside afternoons, and clubhouse evenings within easy reach. The southern-facing lanai offers an inviting retreat with a private pool and spa, peaceful lake views, and beautiful Southwest Florida sunsets. Cook dinner in the outdoor kitchen, gather with friends, or unwind as the evening colors reflect across the water. The panoramic No-See-Um screen enclosure, installed in March 2025, keeps those views open while making time outdoors more comfortable. The upgrades continue inside. Custom California Closets make the owner’s suite and pantry easy to organize, while plantation shutters, designer lighting, crown molding throughout and upgraded ceiling fans give the rooms a finished look. The half bath features an updated vanity and sink, and the front-loading washer and dryer were both new in 2024. Outside, upgraded landscaping creates a welcoming first impression. Exterior paint, exterior lighting, and a roof soft wash were all completed in December 2025 and a newly sealed driveway in October 2026. There’s plenty to fill your days at The National. Along with the championship Gordon Lewis-designed golf course, residents enjoy formal and casual clubhouse dining, a resort-style pool, lap lanes, and a poolside bar. Stay active at the fitness center, tennis courts, or pickleball courts, then relax at the full-service spa. Walking and biking paths, maintained grounds, gated security, and a busy social calendar

add to the appeal. Beyond the community, Ave Maria offers everyday essentials and places to explore. The Town Center brings together restaurants, shops, Publix, Ace Hardware, and medical offices around its distinctive piazza, with festivals and events throughout the year. Parks, playgrounds, sports fields, a water park, dog parks, lakes, and miles of trails offer even more ways to spend the day. Come for the golf. Stay for the sunshine, the community, and a home that makes it easy to enjoy them all.
