Description

One or more photo(s) has been virtually staged, AI generated or rendered. The 06 floor plan in Tower 500 is one of the rarest opportunities at Kalea Bay—only 20 of these homes exist out of 600. Offering over 4,300 square feet, four bedrooms and four and half baths, it lives like a private estate in the sky. Pocketing sliding glass doors seamlessly disappear into the wall, extending the living space out to the lanai, while a dramatic west wall of floor-to-ceiling windows floods the home with light and captures breathtaking views that stretch endlessly across the Gulf. One can easily transition into a den or private office, while the other offers the scale and comfort to accommodate a king-sized bed. The Junior suite is large enough to accommodate two king beds and includes it’s own spa like bath with soaking tub and dual vanities. 1206 represents an exceptional opportunity to enjoy award-winning design, extraordinary Gulf views, and the full luxury

lifestyle offered at Kalea Bay. With over $200,000 in upgrades included.
