Description

A newer roof and plenty of room to spread out make this Lehigh Acres home worth a look. This 3 bedroom, 2 bath home sits on an oversized 0.29 acre corner lot and offers a bright, open layout with vaulted ceilings and a split bedroom design. The living and dining areas connect comfortably with the kitchen, while the primary suite has its own private bath. A covered lanai opens to a spacious backyard with room to create the outdoor space you want—whether that means a garden, play area, or future pool. The attached two car garage adds useful storage and convenience. With well and septic service and no HOA, this home offers a little extra flexibility. Conveniently located near Sunshine Boulevard, schools, shopping, and everyday essentials. Come see the potential and make it your own!
