THOUGHTFUL UPGRADES, AN INVITING GARDEN SETTING & ROOM TO MAKE IT YOUR OWN Built in 2023, this beautifully appointed Mazzano attached villa offers 2 bedrooms plus a den/office or extra guest room, 2 baths and approximately 1,708 square feet of comfortable living space in amenity rich resort of Esplanade by the Islands. Carefully selected upgrades bring personality and polish to a home that feels welcoming from the moment you arrive. The kitchen is a standout, featuring GE Café matte-white appliances with gas cooking, quartz countertops, white shaker cabinetry accented with brass hardware, convenient cabinet pull-outs and pendant lighting. The open layout keeps the kitchen connected to the dining and gathering areas, creating an easy flow for everyday living and entertaining. Painted tray ceilings add another distinctive finishing touch. The primary suite offers a relaxing retreat, while the second bedroom provides comfortable space for guests. A versatile den accommodates a home office, reading room or additional gathering space. Step outside to the screened lanai and enjoy the thoughtfully landscaped backyard—a peaceful setting for morning coffee, a good book or an evening with friends. The approximately 6,400-square-foot lot offers room to explore an expanded lanai, private pool or outdoor entertaining area, subject to association approval and permitting. An existing outdoor kitchen rough-in provides a head start toward creating

your own alfresco cooking space. Residents enjoy an impressive collection of resort-style amenities, including a resort pool and spa, fitness and wellness facilities, tennis and pickleball courts, the Bahama Bar, and a full-service salon and spa. Shopping, dining and everyday conveniences are nearby, with the beaches and attractions of Naples and Marco Island within easy reach. With its distinctive kitchen, thoughtful upgrades and inviting garden setting, this nearly new villa offers a comfortable home today with possibilities for the outdoor space you envision.
