Description

Tucked away at the end of Quail Forest Boulevard, B207 offers a peaceful side of Naples living that's easy to miss from the map. This second-floor MiraVista condo is positioned on the golf-course side of the building, where mature palms frame the view from the screened lanai, providing privacy with the fairway and green space beyond. Step inside and the bright, open great room, dining area and kitchen make the most of the home's 985 square feet, creating a comfortable living space that feels surprisingly spacious. The split-bedroom floor plan provides separation between the primary suite and guest bedroom, while the primary bath features an updated vanity and walk-in shower. An assigned covered carport is included, and MiraVista residents enjoy a community pool and clubhouse. The location gives you the best of both worlds. MiraVista is west of Airport-Pulling Road, minutes from the shopping, dining and entertainment surrounding the Pine Ridge Road and Airport-Pulling Road corridor, yet tucked back at the end of a dead-end road away from through traffic. Naples' Gulf beaches are also just a short drive away. Whether you're looking for a full-time Naples residence, seasonal getaway, or an investment property for seasonal or annual rentals, B207 is one to experience in person. Stand in the open great room and see how comfortably 985 square feet lives, then step onto the lanai, look through the palms to the golf course beyond, and discover just how peaceful this central Naples location can feel.
